

# PREVENT SEXUAL VIOLENCE & HARASSMENT

Sexual harassment, if not dealt with effectively, can lead to sexual assault and other forms of workplace violence. Meet your due diligence, and take the steps necessary to prevent sexual harassment in the workplace.

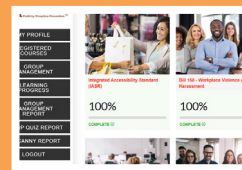

## The program covers:

- What constitutes sexual violence and harassment under federal/provincial/territorial law?
- Forms of sexual harassment and examples of sexual harassment and gender-based harassment
- Responsibilities for preventing sexual violence and harassment
- Impact of sexual violence and harassment on the individual and organization
- What you and employees can do to maintain a respectful workplace
- Steps to take if sexual violence or harassment does occur in the workplace
- #MeToo

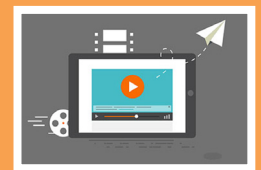

## With our Prevent Sexual Violence & Harassment online training, you receive:

- 15-minute video
- Substantial Leader Guide (Word format)
- Reproducible Participant Guide (Word format)
- Supplemental Guide with Case Studies
- Professional PowerPoint Presentation
- Sexual Assault Resource Guide
- Well-crafted Sexual Harassment Policies (Word format)
- Quiz and Quiz Key
- Reproducible Certificate of Completion
